

St. John De Britto College of Education
Bishop Sundaram Campus, Pudukkottai Road, Thanjavur 613007
Proposal for offering collaborative Skill Development Programmes with IECD

Annexure – 1: Details About the Facilities

St. John De Britto College of Education, Thanjavur would like to conduct skill development programmes in collaboration with IECD, Bharathidasan University, Trichy. This annexure – 1 furnishes brief description about the facilities available in the institution to conduct the proposed skill development programmes. Since these proposed programmes include theory and practice, we have well-furnished and spacious class rooms for theory classes and good labs to provide hands-on training for the participants in the programmes.

Class Rooms: There are six class rooms with desks and benches for the students. There are wooden platforms with tables and chairs for the professors so that they could establish good eye contact with the students. Large green boards are provided in every class room. Good natural lighting and airy class room space would help the students to be attentive. Since, the college functions in a four storied building it is safe and free of distraction.

Labs: We have following labs: Language, Physical Science, Biological Science, Maths, Psychology, Computer. We have 12 computers in Language lab and 10 computers in Computer lab. Furthermore, we have LCD projectors in two halls, smart board in one hall.

Library: There is a spacious library with 9160 collections. The collections include books, journals, magazines, dissertations, etc. Daily newspapers are kept at the library to know the current affairs in the country and the world. There are computers in the library to make the search easier and faster.

Seminar/ Conference Halls: There are two well-furnished halls to conduct seminars and conference with hi-tech facilities such as LCD projectors, and good sound system. Furthermore, there is a large auditorium for major academic and cultural events. Student seminars, Faculty Development Programme and other academic interactions take place in these places.

Other Facilities: There is RO system to provide clean drinking water. There are sanitary Facilities in the college building. There are separate toilets for boys and girls in each floor. All together there are 24 for boys and 24 for girls. Other safety measures such as fire extinguishers are installed in every floor.

Location: St. John De Britto College of Education is located in the midst of large lush green property owned by the Diocese of Tanjore Society. Hence, there is healthy learning ambience. Since the college campus is situated on the main road connecting old and new bus stands at Thanjavur, it is easily accessible to staff and students.

With the above mentioned facilities and good faculty to teach we are confident that we can provide good education and train future educators and leaders.
